About Us

Established in the year **1997**, we, **'Sri Sai Rubber Products Private Limited'** are one of the leading **manufacturers** and **suppliers** of a wide range of **Rubber Products** such as **Extruded Rubber Profiles, EPDM & Rubber Gaskets, Rubber Tubes, Rubber Beading** and many more. Our company is honored to have the **ISO 9001:2008** certification for its all round development and serves the domestic as well as international markets. Our range of products is recognized for some of its remarkable features like high tensile strength, corrosion & crack resistant and sturdy design. These are manufactured using high quality raw material such as EPDM, Nitrile, Neoprene, Silicon, Viton and Natural rubber.

Equipped with the latest technology, we have been able to provide our clients with the best quality products catering to their requirements. The main aim of our company is to provide our clients with the “**zero defect range of products**”. Further, the tale of providing complete client satisfaction to our clients we provide them the customized products as per their needs. We have employed a team of professionals, engineers, technicians, and quality analysts who ensure that our manufactured products are high on quality and are customized according to the needs of the clients

Under the able guidance of **"Mr. R. Ramachandran"**, we have been able to establish ourselves as a renowned...
